

AS-TECH INDIA

THE AS-TECH INDIA ADVANTAGE

01

DIRECT IMPORTERS

ASTECH INDIA is a direct importer of all Carbide Tools and CNC Inserts. With us, you get the right fit for your machines and requirements, every single time, at the right time

02

SUPER STOCKISTS

We are Super Stockists of all kinds of CNC Inserts and Carbide Tools. Our state-of-the-art facility houses vast inventory of all our materials. We are always ready to serve your every requirement at a moment's notice.

03

MINIMUM DISPATCH

We have no minimum order requirements for any of our products. Should you wish to place an order for a single bit, we'd be happy to dispatch it to your warehouse.

04

MULTIPLE COURIER PARTNERS

ASTECH INDIA has partnered with multiple shipping vendors providing end-mile delivery services to all parts of the country. No matter where you wish to receive your packages, we'll send it to you without a worry.

05

DROPSHIPPING ADVANTAGE

We're here to help you serve your customers. You can place dropshipping orders with us and we'll ship our products directly to your customers' address.

About US

AS-TECH INDIA. established in the year 2011. We believe our workforce is our greatest asset.

A greater family of a kind, we believe that fostering this friendly culture would help retention and loyalty towards the company.

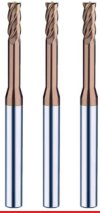

We, **AS-TECH INDIA** Specialise in tools application engineering.

We are mainly focused in solid carbide endmill & balinose, carbide drills, carbide inserts, milling inserts, tool holder, SPL tools.

With a business principle of "Innovation, Enhance Strength, Characteristic Management" our motto is to "Consummate Technics, Excellent Quality, Satisfaction Service" to our customers.

In a simple way "we have the resources to do amazing things" by providing High Quality, High Performance and Highly Economical products to the customers.
